

**WINTER, 2012**

**AVm**

Winter means long nights and short days - a great time to catch up on all that reading you meant to do over the Summer. Along with our "in-house" offerings, look for some new material by other writers, which we hope to post over these long months. We hope you enjoy the Winter issue of **AVm** ...*Richard R. Gideon*

**WINTER ARTICLES ON AVm**

The initial articles for our Winter issue include a new economics piece entitled **PROPERTY TAX**, written by Richard R. Gideon, and suggesting that it is time for this tax to go. From April, 2006, **SENDING A SIGNAL - or "FLAGS 101"** by Richard R. Gideon, which addresses the real purpose of any flag

As always, we update podcasts and from time-to-time add new information during a quarter cycle, so stay tuned, check back often, and be sure to tell your friends!

Thanks for reading **AMERICAN VEXILLUM Magazine!**
